Dear Allan:

The Secretary and ARA have been receiving many bouquets in the past few days as a result of the unanimous approval of our resolution by the Organ of Consultation. Since the votes approving the resolution were based on instructions from capitals, I wish to pass these congratulations on to you as the United States representative who had most to do with our success.

I may say that we all realize that your success was achieved despite delays in receipt of all the documents which you had been promised.

The Secretary feels strongly that the CAS action not only was a great help to us but had a significant impact in Moscow and Havana as well as on our other allies.

Sincerely,

DEPARTMENT OF STATE A/CDC/MR
